

# Lee Teng Undergraduate Fellowship in Accelerator Science and Engineering

**Summer 2013**

**Students must be enrolled full time at U.S. universities.**

**Applications Open October 9, 2012**

<http://ed.fnal.gov/interns/programs/iai>

Offered by the Illinois Accelerator Institute, the Lee Teng Undergraduate Internship in Accelerator Science and Engineering offers ten-week summer internships for undergraduate students enrolled in four-year U.S. institutions. This program has been developed to attract undergraduate students into the exciting and challenging world of particle accelerator physics and technology.
